You are not forgotten, loved one

Nor will you ever be,

As long as life and memory last

We will remember thee.

We miss you now, our hearts are sore.

As time goes by we'll miss you more.

Your laughing smile your happy face,

No one can fill your vacant place.

Memorial Service for Robert Gluszek will be held in the future.

“ To my friend Robert,

"God saw you getting weary,
He did what He thought best;
He put His arms around you,
And said, 'Come and rest.'
He opened up His golden gates
On that heartbreaking day,
And with His arms around you
You gently slipped away.
It broke our hearts to lose you
you did not go alone;
A part of us went with you
The day God called you home"

“ I will always remember Bob as being a fun person, lots of laughs and the trips to the Casino and lunch dates with him and his Mother. Bob's many medical conditions never seem to slow him down, he was happiest with his Family and Friends and looked forward to those times. Bob is now at peace and is probably making new friends with the Angels !! May God Bless Bob and his loving parents Anne and Ben, together forever. Beverly Salomon and Billy Newman

“ I am sorry to hear that Bob passed at such a young age. My condolences to all of his friends and family.

I can still see his smiling face! Even tho I haven't seen him in 30 years.

He did love to cook on the grill and celebrating July 4th was truly an event to remember!

Now when I look back I remember he was always there when you needed him !

“ I can't remember a summer without remembering times with Uncle Bob and Aunt Carol! They Celebrated life! Family and friends were always welcome to join a barbecue, listen to great music and enjoy their amazing company! Uncle Bob was a big presence wherever he went - from his hearty laugh to his phenomenal talent of telling a story! He taught us all to live life without taking yourself too seriously - enjoy the moments shared with loved ones and always be there for family. I am proud to be his niece and to have known this man. I will miss him profoundly.
