“ *A note to my Son:
Brian I know that your days of suffering are over and I'm going to try to heal from the grief that I'm feeling right now! You know that anything and everything I've done for you or to you was out of love! There wasn't a day that went by that you weren't on my mind or in my heart. I did three things right in my life and that was Rob, you and Steven. It is my pleasure to be your mother and watching you boys grow. You all gave me the greatest gifts and that's my grandchildren. I only wish you would still be here to feel that type of love! I realize that is now out of my control and your in the hands of the most powerful man ! God! I will miss you and remember the kiss you gave me the other day! I now will take one day at a time and try to mend my broken heart. Watch over me and send me a feather! Love, kisses, and hugs. Mom*
