“ *I don't have enough time or space to tell everything I loved about Carol. I met her 50yrs. ago. That's when we became family. I was married to Buddy's Uncle. Carol welcomed me into the family with open arms. She was such a beautiful person. Ya, knew where ya stood with Carol cause she said it like it was. You always knew where you stood with her. My heart is heavy with the sadness of her passing. My heart is saddened for my nephew Buddy, Dawn, Skip & the grandkids. Love to you all. 🥹💕💕💕💕*
