“ Carolyn was very close with Cletis and me Mary Butler. I was with her alot giving her a bath and washing her clothes. She needed us and we were glad we could help. She needed us in hospital also nursing homes. She was so happy to see us and she would joke around.I miss our phone calls every night. We will always be happy we could help her out but we weren't suppose to tell any one. We did this out of love for her.I loved her and Prayed with Carolyn most nights. She will be missed. Thank God Carolyn u are out of pain. God's Blessing
