“ Dan,

I honestly don't know how to express my deepest sympathy to you and your family at this time. My love, prayers, and support are with all of you.

I know how much you loved your wife. You never said a bad word about her, and your eyes would light up when you spoke about her. I admire that!

I remember one day when we both were working at Rockdale Automotive, and it was snowing. The snow was beautiful, and you told me Cheryl had been taking photographs outside. I thought to myself what a lucky person to have a wonderful supportive husband that is so proud of her.

I also met your daughters. Sarah and Emily are both beautiful, and brilliant! I believe Sarah helped out a few days at Rockdale Automotive. She was funny, polite, and full of energy.

Dan, I know Cheryl was the love of your life by the way you spoke about her. Even though you were only together on this earth for 33 years you both had more love for each other than most people will every know or share in a lifetime.

*Your Friend,
Terry Adams*
