“ *Chester sat at the dining table with my grandmother (Gaynetta), for a bit. He was always sweet to all of us when we would visit her.. and I couldn't help but stare into his kind blue eyes.*

“ *Uncle Ches, a remarkable and incredibly special man who will be missed. His genuine care and warmth of character towards his family, friends, and towards other people were oftentimes demonstrated by the times he put everyone's needs and concerns above his own. A part of Uncle Ches lives in our hearts filled by years of memories that he has given to each of us as beautifully described by others.*

Uncle Ches and Aunt Lois together again, and togetherness of reunion of seven siblings with Grandma and Grandpa bring peace with God.

God bless Uncle Ches, and God bless his wonderful family.

“ *Dear Liszka Family*

I can go back to the beginning...when Chester & Bruno would join the Berg family at Pine Lake in Wisconsin. We truly grew up together on Richmond Street...only a gangway apart. That was back when the neighborhood really meant "neighbor" hood. Chester taught me the fundamentals of sports...good throwing arm...quick feet...alertness...be part of the team...and much more. He was part of the beginning of the Richmond Street Gang and kept the guys together. Everything was on the plus side because everyone truly liked one another. The loss of Chester leaves a large gap to fill in our hearts, and we are sending prayers to the family from Minnesota. - Ken and Susan Berg, Eden Prairie MN
