“ *I've woken up the past few days thinking only of you. You have been a part of my family since u were a toddler. You grew up with my sons Wyatt and Liam. You and Wyatt had become the best of friends thick as thieves. There have been many vacations and many memories I can't pick just one. I will miss the weekends You spend here and raiding my kitchen. I would give anything to wake up and see u sleeping on our couch. It's hard to believe your life was cut so short. But God has gained another angel and I know you will be watching over your family, our family ,and of course Wyatt. We will forever keep u in our heart. We love you and will forever miss you sweetheart*
