“ *My condolences to the McGuire Family.*

Dan and I spent many summers together throughout our primary education years. My career lead me away from the Chicago land area. When I visited and met Dan at a local gathering or party, we always seemed to pick up right where we left off - as friends a couple blocks apart. I find it a testament to his character and our friendship.

I searched for pictures from our child hood, but only found one with my cousin and him from a New Years Eve party. My parents must have the few I remember from 8th grade and high school graduation.

Rest in peace my friend.
