“ We knew Dave and Bobbi from attending Fountain of Life church. We enjoyed his Improv group that had practice and shows at our church. Dave has a huge heart. I asked Dave if he would come to the school that I taught PE at and do an assembly. I felt his testimony is so powerful and the young students I taught would appreciate it. I worked in a predominantly Hispanic neighborhood and Pro Wrestling was a huge interest to my young boys. Dave knocked the assembly out of the park. After getting their attention with all the folks he wrestled against and with, he brought it home and shared his struggles and how Jesus Christ, the bible and other christians helped him. Many of the boys took pictures with Dave. They were still talking about his visit years later. God bless you all. Dennis Peters
