“ Beth and I went to school in st. Clair together. We were also neighbors. All the neighborhood girls would hang out at her place after school. I loved Beth she was very special to me. I am so sorry for your loss and I will pray for all of her loved ones.

“ Our deepest sympathy and prayers go out to the family and friends of Beth. She helped my husband and I get into cruising. She was always there to help with any questions we may have had about cruising. Will miss her advice and the couple of lunch dates we had talking about cruising. RIP, Beth.

“ Beth was one of my best friends in high school. I could always count on her to be there for me. There was Beth, Linda, Betsy and me Sherry! We spent a lot of time together the 4 of us. Linda lived across the street from Beth in St. Clair Mi.. Beth was the first to say, you know we could get in trouble doing this. But we still did our thing. Facebook has kept us in contact, I will miss her greatly!! My prayers go out to all her family and friends! The world just lost a great person, but in our minds and hearts she's still with us! So sorry Sherry

“ So sorry for your loss. Beth and I went to High School together and because we were both at the end of the alphabet our homeroom class was together. Beth was a sweet girl then and when we reconnected recently on fb she was the same. You will be missed.

“ *When I was younger, I always felt shy and hesitant around Aunt Beth. But there was one thing that we did together every visit that helped me over come those feelings, and that was watching the show "Reba" together on Sundays after church. We would always laugh at the same things and sometimes she would laugh at my constant laughter, which of course only made me laugh more. It was moment she like these that made me realize just how funny of a person Aunt Beth really was, and made visits even more enjoyable.*
