“ *Connie & Family- I am so sorry to hear about your mom and grandmother. She was such a lovely person! She was so kind and thoughtful and loved all of you so much. Her nativity collection represented just a small portion of her faith- and her collection was vast!*

*I will never forget when Frieda and Connie and Linda Walker were on vacation in Canada and came by to spend time with me. It meant the world to me!*

*Frieda will be missed so much by so many people- but I know she will be happy to see her beloved husband once more. Holding all of you in my heart and sending lots of prayers! Beth*

“ Dear family, As I sit here and think back through the years I am reminded of a young girl who stood in Aunt Frieda’s kitchen watching her cook and bake. She was a wonderful cook and taught me many things about cooking. Her love for Jesus reflected in everything she did. I will miss her dearly.
