“ There are way too many memories to share so let me just say, I can not imagine what my life might have been like if I hadn't met Gene back when we were so young. He was the brother I never had. He was crazy, in a good way, very funny, and without a doubt the most caring and thoughtful person I have ever known. He would give you the shirt off his back, then tell you how ridiculous that shirt made you look. I feel blessed for being allowed to spend part of our lives together. Gene made me a better person. I love you my brother, hey, save me a seat. - Jon
