Lori,
Words can't express how sorry we are for you and your family. Guy will be missed by all that knew him. We are so glad we meet the two of you in 97', what a great time we had with you then and every time we met up at the trials. We just have to remember all the laughs, good dogs and fun times.

The photo was taken at the DesPlaines Conservation duck blinds at the Basin. I did not know it was Guy's birthday until he said that he had to get home before 2 p.m. as there was a family birthday party he had to attend. I asked, "Whose birthday is it?" He replied that it was his birthday and he could not miss it. Ever since that day, that is how I remember to call on his birthday. I will miss those birthday calls, my friend. Our thoughts and prayers go out to Lori and family. Tom Espisito and family

“ *I just met Guy in Sonoita, AZ. I really enjoyed visiting with him while he judged all weekend through some of the worst weather we have had in a long time. He seemed a very honorable, fair, fun man. I only wish I had more time to get to know him better. He will be missed in the field trial community as well as with all his friends and family. Now the Lord has one heck of a handler for all the bird dogs we have sent him. Rest in Peace my friend.*
