“ We met Dick and Helen when we moved to Minooka in January of
2001. We all attended Living Word Bible Church.
Helen was the Queen of pot lucks! I loved working in the kitchen
with her.
She loved her Family and she loved Jesus.
I helped care for her for while years later as her Alzheimer's
progressed. I loved being there with her and Dick! We'd sing silly
songs and Old Hymns of the Faith! She couldn't put sentences
together but she loved to sing and sing we did!!
I look forward to seeing them both again in Heaven! Dick will be in
charge of some building project and Helen will be making them all
food!! Their family are very blessed to have such a "Heritage" May
the legacy they leave live on!

“ I remember meeting Dick and Helen around 1987 when we moved to Shorewood. They were always so welcoming. Helen had the gift of hospitality and she also was a prayer warrior. Both she and Dick supported, encouraged and prayed for us when we left for the mission field. They even came out to Canada with Bob and Jill to visit us! Never forget that memory, that was such a blessing and encouragement to us. On our furlough trips we always looked forward to our visits with them. We are grateful for the gift she was to her family, friends and church family.

We pray for God's comfort and peace to be with you all as you honor her life and the legacy she left to all who knew her.
