I had the privilege of meeting Jack (and Linda) 4 years ago when we moved in across from them in the town homes. He was such an amazing wonderful man, father figure to me, friend and an all around special man. A lot of my antique furniture has been restored to its glory thanks to Jack refinishing them. He even helped refinish a table for a patient of mine. He never asked for much. " Just a cup of Dunkin Donuts coffee" plus some materials. In the 4 years I've known him, he has blessed my life and that of my husband and daughter in ways I can't even put words to. The light in our court is now out Jack. It will never be the same without seeing you work tirelessly in your garage! Rest easy dear beloved friend! Continue your wood working in heaven! I love you!!!! Susan Wick, Michael, and Chloe too
