“ Words cannot define the loss you all feel at this moment, & we are truly sorry for the loss of your queen. We've been childhood friend's, you all are like family to us in spite of the distance. I remember your mom keeping you all tight knit and working hard. We pray that God will wrap his loving arms around you all and carry you each day. Love, Roland & Sori Garcia

“ My favorite memory was the time Jean joined us for Easter and she was astonished at the sight of the butter sculptured into a lamb. We have been buying those since I was a little girl and yet she had never seen one. And she loved my wonderful sweet potatoes, "best she ever tasted!" I didn't have the guts to admit they were microwaved Country Crock and I scooped marshmallow fluff on top. Stacy and I had a good laugh many times after when she asked for the recipe.
