“ One of my fondest memories of Jim is going to Wisconsin Dells with him and Belia every summer. In the beginning, we went with our children when they were little. Belia and Jim would always invite us to stay at their trailer and we spent many wonderful summers there, enjoying very fun times with all the kids, theirs and ours. Later we also went with Jim and Belia to their time share place at Christmas Mountain. It was such a wonderful time together, full of fun and laughter. Jim, we will all miss you So Much! But you will live in our hearts forever. Love, Maria

“ When I first met Jimmie we were at our friend Luci's house, he took care of my puppy- he walked and played with her while Belia and I visited with our friend Luci. He was a very kind man with a great sense of humor who readily showed his love and devotion for Belia and their family. I offer my deepest condolences and prayers for the Mateo Family.
