“ *This is definitely a tragedy for the Carey family and friends. I can remember the first day about 20 years ago when John walked into UPS and was trying to drum up some business, he has such a sense of humor he had me laughing in the first five minutes of our conversation. Not only did he get my business at my facility but he over took all of UPS throughout the country. I have never met someone so dedicated to his job , and his heart was bigger than life itself and He would give you the shirt off his back. When he would always stop in he would always talk about his family and especially how proud he was of his son and his wrestling. Lucia and Family don't worry he will always be with you.*

God bless you and your family, Tom Rendell (UPS).

“ Michelle, Gloria, Lucia and entire family,

I cannot express just how sad I feel for all of you. This tragedy is beyond words.

I do know grief is not something that you complete, but rather something you endure. It's not a task to finish, and move on. It's an element of yourself and an alteration of your being and a new way of seeing a new definition of self. It is life changing sadly, and my thoughts and prayers will remain with all of you.

God bless and my sincerest sympathies,

Karen Lesniak
