“ *I am very sorry for Joyce's family. She was the sweetest person and always had a smile on her face. Ive known her since 1996 through my mom. She came to visit my mom when my mom was in her last couple months of life and Joyce was fighting cancer herself as well. She lifted my moms spirit and they hugged and prayed. She always signed her cards Just Joyce but she was so much more!! I miss her texts and fb messages. The world is less sunny without her.*
