“ Joyce was our cousin although living far from each other limited our visits except at a couple of family reunions. Joyce was such a positive person and a fun person to visit with. Our thoughts and prayers go to Van and her family. By reading her obit we can see she had many family members to love and spoil. She has many people waiting to greet her inside those Pearly Gates. God bless you all.

“Joyce was an amazing woman. I enjoyed her company. We have shared so many memories and life events together. Im so happy that I was blessed to know her and call her family. She was the best mother in law a daughter in law could ask for. She was a proud Grandma to our daughter and she will be dearly missed. We love you Mom- Grandma Jojo!
