Dearly Loved Husband of 64 years to Geraldine "Gerry" Super; Devoted Father of Mike Super of Channahon, AnnaMarie (Gary) Read of Diamond, IL and the late Mark Super; Treasured Grandfather of Nicole (Charles) Geisen of Bradley, IL and Alisha (Anthony) Denny of Coal City, IL; Proud Great Grandfather of Julian, Jayla, Loren, Xavier and Felicity; Dear Brother of Patricia Gutzman of Coal City, Fond Brother in Law of Rose Marie Super, Rosemary Breen, Jim (Sue) Lamping and Ed (Carol) Lamping. Also left to cherish his memory are many dear nieces and nephews.

Preceded in death by his parents; one son, Mark; two brothers, James Super, David Super and brother in law, Robert Lamping.

Larry was a fixture along with Gerry here in the Channahon Community. They were the "Super Team" always in sync always together, traveling, visiting the Casino, spending time with friends and family. They've been long time parishioners of St. Ann Catholic Church in Channahon where they lived out their faith. On a good day you may have bumped into Larry at the local hardware store where he was picking up tools or supplies for his next project.

When Larry was finished with the tools, he made sure that you could find them at one of his many garage sales because you might have a “project” too. Or you may have been a Bowling teammate or part of a foursome with Larry on the golf course, he enjoyed your company and liked being part of a team. Larry had a 25 year career as Supervisor at Exxon Mobil. He was a student of the Coal City School District and a distinguished veteran of the U.S. Army. It broke our hearts to lose you but you did not go alone, for part of us went with you. The day God called you home.

“ I remember spending many holidays with the Supers. Gerry made those excellent rolls. And Larry would run home if anything was forgotten while at Gramma Lampings. Having not seen the family for years when my hubby and I attended AnnaMarie and Gary’s anniversary celebration, the family greeted me like time hadn’t passed. Larry came and sat by me and we went through the 2 yearbooks I had brought. It was fun to reminisce with him and the Supers. He is irreplaceable and is already missed.
