“ I met Leo over 20 years ago at work. From the get go, he was such a kind person. It wasn't long before we became really good friends & started hanging out. He knew my family well & was always included in our festivities. We spent a lot of holidays together. Never did I think he would be taken home so soon. Heaven gained an angel! RIP Leo. You will never be forgotten! Dan&Donna❤️

“ Leo was a kind gentle soul who always put others first. We worked together at Hussmann for several years and he is someone I will truly never forget. He always sends the very first Christmas card of the season that our family always looks forward to. As his family and friends grieve, please know that we are remembering and honoring Leo. All I can offer is peace, prayers, and blessings. Please know how deeply sorry we are to hear this incredibly sad news.  
With love from our family,
