“ *I remember a party that Linda had at her home in Frankfurt. It was the DiFiore and the O'Heron clan. It was actually a water fight party and Big Grandma ruled! I believe she was about 83 years old at the time. She was racing through the yard, jumping over things and spraying everyone with her water gun. No one was safe from her!!!*

*Her warmth and love of life was something that drew people to her. Even when I was a child I enjoyed being around her.*

*Heaven will be a livelier place. My thoughts and prayers to her and her family.*
