“ *My heart is aching, and I know her close family is feeling it even more, the loss of a sweet soul is never easy, but the loving memories can only help soften the sting.*

I miss your kind and gentle nature already, it was always a pleasure to be in your presence.

Rest in Peace Aunt Mac.

My sweet Mac, I will miss you terribly. We had many memories of our trips to the cemeteries taking flowers every year. So sad I have lost my last sister-in-law. Love you always, fly high with your family waiting for you. 💕💕
