“ I will always remember her first visit at STLCOP to see Rachie at our freshman dorms with Tessa. Her personality could light up any room!

“ Meg, Terry and family, I am so sorry to hear of Melissa passing. She
went through a lot of rough times but she always seem to bounce
back from what I am told. She has a great daughter who will miss
her dearly. Just let her know there are a lot of people who love her
and guide her. Your whole family is in my prayers.
