“ *I was absolutely devastated to hear about "Pops" passing from my old neighbor this past week. I moved to Morris this past September and he was the last person on my street that I talked too. He was such a nice man and he always had a smile on his face. I will always remember seeing him working on the cars with his grandsons almost every single day. My deepest condolences to Joan and his family. I will never forget hearing his deep Irish accent. I will never forget this wonderful man*

“ *"Pops" and the entire Heaton household took me under their wing during a very dark time in my life. For the past 6 years called me and my boys "family"! You have always been there! Shared every holiday and every occasion. We will miss you! --Love Mindy, JP & Kevin.*

“ *Joan & family:*

We were so saddened to hear about Mike. Mike & I worked together for many. many years. He was a valuable member of our team and was always willing to help in any way he could. He was a great guy. I always enjoyed working projects with him. Sorry we will be unable to attend mike's services, but we will be out of town.

Again, our condolences.

“ Michael was always so very kind and generous. He helped our family on more than one occasion and whenever I brought food as a thank you he would say "T'isn't necessary, I am just bein' a good neighbor. " He was a rare and wonderful man and a great friend. I still turn to his porch chair to wave...before I remember he isn't there. We will miss him greatly! May God bless you and keep you Michael.

“ The Squire was a big strong man who was my father, teacher and best friend. I know God has a special place in heaven for such a wonderful family man which he was. I am pleased to have shared so much time with him and that I was able to tell him exactly how much he meant to me. My father had so many attributes but above all else he loved his family and his dog Abby Road. Abby is still looking for him.

“ I will always remember Michael for his gentleness. He was a big teddy bear. But above all Michael was a great family man. Joan, their kids and the grand kids were his world. Michael you will be greatly missed.
God keep you close.
