“ I wish I had all the right things to say at this most difficult time for all of you. What I can say is Nancy was a light and brought so much joy to all those that knew her. That infectious, crazy laugh of hers and her ability to make you laugh was such a gift. I can not recall in my lifetime a more courageous fighter than she. Her bravery and will was just inspiring. I loved her so!

“ *Gina and Nick,
I'm saddened to hear of your Mom's passing. She was an incredible person, always had a smile on her face and willing to help anyone who might need her. She was so very proud of both of you. My best memory of her was when she let your house be one of the stops on Ian's birthday party "Amazing Race"! We all had so much fun that day. I will remember her always and keep you both in my prayers.*

*Much love,
Denise McPherson*
