“ *Always gonna remember "Whoah," thumb wrestling, and the two and a half , whole chickens at White Fence Farm.... Tayler will never forget the time you had for her and the things you had to say about her futureShe was very touched you let her stay. And I'll never forget the way you didn't think anyone heard what you said at times.... The kids talk about Christmas at our house with you and Tina, and Daniel, and sitting outside with a fire and pizza when it's nice out...you always liked the trees here...But we have the photos and we'll hang onto the memories and we here are all glad we were a part of it...even until the last hug...So sad...Sincerely thanks for letting Tayler and I help...She didn't want to miss a thing. As I said before, rest easy...take 'em easy...Lori*
