If we could visit Heaven even for a day,
Maybe for a moment the pain would go away.
We'd put our arms around you, and whisper words so true,
That living life without you is the hardest thing to do.
No matter how we spend our days, no matter what we do,
No morning dawns or evening falls when we don't think of you.

“ Rachel was awesome. I've never known a person who could make me laugh as much as she could. I looked up to her when I was a kid. Spending my summers with her and Paula are some of the best memories I have of my childhood, and I'm forever grateful for all those times we shared. It breaks my heart that we lived so far apart. I pray for peace for the family. Rachel will live on through her 2 amazing daughters. I love you, Rachel. Give grandpa Frank a big bear hug from me.
