“ Deepest sympathy to the Larsen family during this difficult time. When I spoke with Jean today we were able to laugh about the many "free fishing weekends" on the lake shared with the uncles. Many memories of all the Larsen brothers and the fun we had when Ron and I lived on the lake in Hillsdale. The horseshoe competitions (the shot heard around the world), the many stories told late into the night on the front porch, and the laughs we women shared about the Larsen men. One fish story better than the last. Rest in Peace Ray, your pain is over and you're in heaven with Jesus and your brothers and sisters. Peace to all of you left behind, may your happy memories get you through the sorrow. Nancy Dolan

“ I will always remember growing up and going fishing with my dad he taught me how to bait the hook catch the fish by setting the hook
Being patience (at least with fishing)
Reeling the big bass in and taking off the hook.
That's when life was simple ❤️❤️❤️
Love you forever and will miss you forever
Love your daughter , Debbie

I have so many memories of Uncle Ray. He and my dad were very close brothers, and I have always thought that he helped to keep my dad's memory alive. I know the family was waiting for him in heaven, and I know they will surround him with their love.
