“ I was so sorry to just learn of Terry's passing. Every year he sent a Xmas card and caught us up on his family and news. He always was so engaging and caring of family. He will be missed.

“ I was saddened to hear of Terry's passing. I played on his golf team for many years. He took me to my first cruise night/car show back in 1989 in his 73 Mustang Mach 1 and re-kindled my interest in the muscle cars I grew up with. Shortly after that I bought a 1969 AMX which I still have and continue to attend cruise ins and car shows. My condolences to his family.

“ We knew Terry and Judy from St. Ann’s Catholic Church. We played euchre with both of them at St. Ann’s. I will never forget how kind Terry and Judy were to us. We especially remember a time when Terry was partners with our youngest son and how much fun they had together and how well they played cards that night. Terry ended up winning 1st place and shared his winnings with our son, who was 14 at the time. Terry expressed to our son, Jack, that he would not of been able to win without him and wanted to share his winnings! He had the biggest heart. We always looked forward to spending time with him at Euchre . We will miss him greatly. We know he is now with our Lord and his wife.

We knew Terry missed Judy! We all did. She was a sweet lady. I also liked when Judy was the reader at mass. She was a great reader at the masses.

God Bless Terry, We will keep your family in our prayers during this difficult time.

“ I met Terry through the golf league at Caterpillar. Our relationship was formed on Wednesday evenings as we did our best to tame the golf course and our opponents. He was a friend and I am sad to hear of his passing. God Bless you Terry.
