“ *Firstly, my condolences go out to Vicky's entire family. Her sudden passing has changed your world completely. Vicky and I lived on the same street in Cal Park growing up. We both went to St. Isidore School. She had the best sense of humor and a great laugh. I'll always remember that. Years passed and our lives went in different directions, so we lost touch. Thanks to Facebook, we reconnected about two years ago. I am so glad we did. She was the same as always. Some of us were going to meet for brunch once the weather got better, however, now there will be an empty chair. When we do meet, we will raise a glass and toast absent friends. May the Lord bless you, dear Vicky, and welcome you into your Heavenly reward. God hold your entire family close until you all meet again.*

“ *My memories with Vicky go back about forty one years ago. Raising babies. Long long talks and a lot of laughs. She introduced me to her family with whom we shared time together. We reconnected through FB and phone calls. I'm grateful for that. I'm truly going to miss sharing still some laughs and fond memories. I'll always have a place in my heart for her. I'm sorry for all her family, daughters Shawna, Kendra, Amanda, and her loving Curt, All the family. God Bless.*
