Bill was born in Chicago, IL, attended Morgan Park High School and was active in their sports program; served in the United States Army Air Forces in Japan following World War II and played football for the base team; studied engineering in college and worked as a draftsman, engineer and product engineer for various Chicago area corporations. As an avid sports fan, Bill followed the Chicago Cubs, Bears and Blackhawks; enjoyed fishing and vacations with both family and friends; constantly had a house project going; was known for frequently trading in cars when the "tires needed air"; often had a new joke to tell; and his sense of humor always put a smile on everyone's face. He will always be remembered as a loving and caring husband, father,

grandfather and great-grandfather.

For many years, Bill and Esther were faithful members of the River of Life Lutheran Church in Channahon. We are saddened by his departure, but strengthened with the knowledge that his great confidence and lifelong hope in Christ has now been made real to him.
